Hey Robert and Jason,

Please see the attached Draft QAPP checklist and associated comments. Once the revisions are made I will create the Final checklist to have signed and approved by Meredith and I. Could you send a KMZ file of the sample locations, as well? Thank you. Have a great weekend.

Best wishes,

We are hoping to get out the last week of September. We have combined the final two rounds into one and hope to get it done in two or three days.
